

Where's the BEAR?!

Official Game Board

9/1/18-12/28/18

Look under, over and through the woods for our hidden bears! All **11** of the bears can be found during daylight hours. Check out our Facebook page and our website for clues anytime between September to late December of locations of bear emblems. These clues will lead you to letters and numbers that solve a phrase about the parks. Mail or turn in this completed game board no later than 12/28/18 at the Park District Headquarters (2751 Washington Mill Road). All correct answers will be entered into a drawing for prize baskets filled with surprises from local businesses! Do not post answers or locations online; share the fun of the hunt with everyone without giving away the mystery.

This program is brought to you in partnership with Bellbrook Middle School's 8th grade STEM class who designed the bear emblem for a class project learning 3-D printing methods. All entries must be turned in between September 1st and December 28th. Winners will be announced in early January.

Puzzle Clues: 11 bears to find, 3 words to spell with hidden letters that will help you find your way to a win and solve the puzzle! There is 1 five letter word and 2 three letter words, but what is the order??? Only super sleuths will know the answer!
