

Where's the BEAR?!

OFFICIAL Game Board

1/1/18-5/31/18

Look under, over and through the woods for our hidden bears! All 14 of the bears can be found during daylight hours. Check out our Facebook page and our website for clues anytime between January to late May of locations to bear emblems. These clues will lead you to letters and numbers that solve a phrase about the parks. Mail or turn in this completed game board no later than 5/31/18 at the Park District Headquarters (2751 Washington Mill Road). All correct answers will be entered into a drawing for prize baskets filled with surprises such as gift cards to local businesses! Do not post answers or locations online; share the fun of the hunt with everyone without giving away the mystery.

This program is brought to you in partnership with Bellbrook Middle School's 8th grade STEM class who designed the bear emblem for a class project learning 3-D printing methods. All entries must be turned in between January 1st and May 31st. Winners will be announced in early June.
